

Chapter 16.12 (OBP) OFFICE AND BUSINESS PARK ZONE.

Section 16.12.08 Design and Site Plan Approval.

Site plan approval is a condition of approval for all development within this zone. The design and site plan review shall include but not be limited to architectural design and theme, building materials, lighting, signage, landscaping, parking, vehicular, bike and pedestrian access, accessory structures, helicopter pads, nuisance factors and natural and manmade hazards.
